

NEW GRADUATE PROGRAM

2025 INTAKE

● ● ● ● ● ● ● ● ● ●

ABOUT THE PROGRAM

We know that starting your first job after you graduate can be an exciting but overwhelming transition.

The Out Loud team loves adding new graduates to our team, knowing that we can support them in all the important ways to make their first experiences positive and rewarding.

WHAT WE OFFER

- a workplace with a people-first culture
- a well resourced clinic including administrative support
- supervision by experienced therapists who will support your transition into the workplace
- progressive clinical load to build on your skills
- support with accommodation may be available to help new graduates moving to the area

APPLICATIONS

Applications close Friday 27th September 2024. To apply, please submit your application via email, or our ad on Seek.

ABOUT US

Out Loud Developmental Services is a paediatric multi-disciplinary practice providing therapy supports to private & NDIS clients. We have a team of Occupational Therapists, Speech Pathologists, Educators, Allied Health Assistants and Customer Support roles.
